chinthaka Bandaranayake

Student at University of jaffna

Badulla District, Uva Province, Sri Lanka

Summary

I am passionate about bridging the gap between theoretical knowledge and practical application. I seek opportunities to engage in real-world projects and collaborate with like-minded individuals in the tech community. I am eager to take on new challenges and contribute to innovative solutions. My goal is to make a meaningful impact in the field of computer science through dedication, creativity, and a proactive approach to learning.
